

infoz Files (v1)

Overview

`infoz` files contain information about bookz. Specifically, version 1 `infoz` files contain the titles of bookz.

Format

`infoz` files contain a continuous stream of ASCII characters. They do not contain carriage-return (ASCII 13) or line-feed (ASCII 10) characters.

Each `infoz` file contains exactly 60 characters that correspond to the title of a bookz.
